Answer ALL Questions

[The figures in the right margin indicate the full marks and corresponding course outcomes. All portions of each question must be answered sequentially.]

1.	Fahad is a university student who has many daily tasks such as attending classes, completing assignments, and helping his family. However, he often wastes time scrolling social media and spends money on unnecessary items instead of saving for future needs. As a result, he struggles to manage both his time and finances effectively.		CLO-1 Level-2
	Based on the above scenario, **explain** how poor time management and irresponsible financial behavior are affecting Fahad's daily life, and suggest practical strategies he can use to prioritize tasks, manage his routine, and improve his budgeting and saving habits.	[Marks-5]	
2.			CLO-2 Level-4
	Analyze how this method helps in organizing ideas, improving memory, and planning tasks. Also, describe how a student can use it for better learning and decision-making. Layout a Mind Map for Career Planning Roadmap.	[Marks-5]
